## Show it with a Friend

### **CHORUS** (x2)

Show it with a friend. Show it with a friend.

When you give the answer, you have to use a friend.

Show me shaking hands. Show me a high-five.  
Show me how you hug. Now give a fist bump.

### **CHORUS** (x2)

Show me number 4. Now show me number 8.  
Show me London Bridge. Now patty cake.

### **CHORUS** (x2)

Show me side-by-side. Now stand in a line.  
Show me face-to-face. Now stand back-to-back.

### **CHORUS** (x2)

Show me together. Now show me apart.  
Show me short and tall. Now show me fast and slow.
