Half Entertained Album **Track 4: Make a Handle, Make a Spout**

CHORUS

Make a handle. Make a spout.

Make a handle. Make a spout.

Make a handle. Make a spout. Now pour it out.

(Repeat 4x's total: 2 normal speed; 2 faster.)

Now twist! Now twist! Now twist! Now twist.

Now twist! Now twist! Now twist! Now stop!

The water is hot! It's boiling inside. It's time to pour it out! Your leg's the spout this time!

Chorus

Now spin! Now spin! Now spin! Now spin.

Now spin! Now spin! Now spin! Now stop!

The water is hot! Hotter than a candle. When you pour it out, use your leg as the handle!

Chorus

Now hop! Now hop! Now hop! Now hop.

Now hop! Now hop! Now hop! Now stop!

The kettle is hot. It sounds like a singer! This time around make the teapot with your fingers.

Chorus

Now jump! Now jump! Now jump! Now jump. (Hey!)

Now jump! Now jump! Now jump! Now stop!

The tea is finished! We cooked a lot! Put your pinky's up and drink a spot.

"It's tea time!"
